Hi Emily,

Sorry about failing to give you Jan's email. I had to ask the sub for it and must have failed to add it to the PQS before sending that to you. Her email is clientservices@optionsforwomencape.com.

Rebecca's email should be tricountyprcswo@gmail.com. Let me know if that doesn't work and I'll see what I can do on my end. I copied this right out of my contacts, and email her often at this email address, and never have an issue. Hopefully this works!

Hi Carrie – I'm trying to get these all in the system, but I noticed that Rebecca Haines' email comes back as undeliverable, and I am missing Jan Farrar's email as the subcontractor point of contact. Would you be able to get those for me?

Emily,

I just saw your email regarding the new database system. With that in mind, I'm not sure if you need the attached PQS's to enter into the database for the new subs we are adding, per the conversation you had with Marsha earlier in the week regarding our new subs and going ahead and going ahead and adding them as subs if the new contract continue to be extended. I have decided to go ahead and send them to you per Marsha's request, and in light of the fact that you will be on vacation the next two weeks, in case you do still need to be the one to enter them into the system. I'm thinking you probably do, since they will need to be in the old system until the new contract takes effect. Regardless, the PQS's are attached. We are closed on Friday, so I won't talk to you again until after

the first of the year. If I need to be the one to enter these individuals into the database, please let me know, otherwise, I will assume that you are doing so on your end.

Thank you for all of your help throughout this last year! We appreciate the hard work you do for us! We're looking forward to another year working with you!

Merry Christmas,

Carrie
